

## Channel Islands Marine Protected Areas Monitoring Workshop

March 14-16, 2003

Bren School of Environmental Sciences and Management  
University of California, Santa Barbara

### Socioeconomic Working Groups PROPOSED AGENDA

#### Meeting Objectives:

- To review prioritized list of monitoring questions and topics and data collection and distribution methods for the Channel Islands.
- To identify existing socioeconomic data and resources as well as gaps.
- To suggest methods for public involvement in monitoring programs and ways to keep the public informed of monitoring results.
- To develop a preliminary monitoring plan including details of how and when to complete various portions, how to compile data into an easily accessible source, what resource needs exist, and what type of oversight is necessary.

#### **Friday, March 14**

12:00 - 4:00

##### Registration

- Bren School of Environmental Sciences and Management, University of California, Santa Barbara
